Dear Patient:

You have met all of the requirements necessary to obtain a medical marijuana registration certificate. Your certificate expires one year from the date the certifying physician provided your information to this office. • in the workplace;
• on any school grounds or any public or private school, dormitory, college or university property;
• in any public place;
• in the presence of a person under the age of eighteen(18); or
• in any other way that endangers the health or well-being of a person other than the qualifying patient or the primary caregiver.

If any of the information you provided in the original registration changes, you must provide notice to the Department within five (5) days of such change by using our "Change of Record" form. If you need to reprint this certificate, please log back into your account and click on the "Print MMP Certificate" button.
